C. CLUB RISK ASSESSMENT – ENTERING POOL ARENA DESIGNATED AREA FOR BELONGINGS

COVID 19 POTENTIAL HAZARD – WHAT & WHY RISK BEFORE	PREVENTATIVE MEASURES – HOW YOU INTEND TO CONTROL THE RISK	WHEN / DONE	WHO & RISK AFTER
C1. Swimmers entering the Pool Arena and moving t. **(H)**	In order to protect all our members and staff all swimmers and parents should wear face masks (preferably reusable ones) whilst in the car park area. The school requires all swimmers to wear facemasks whilst queuing and changing in the pool arena (unless exempt) the mask should only be removed once you have removed outer clothing and are ready to enter the pool. **Swimmers should enter the pool through the left-hand fire exit as directed by the coaches. Similarly, swimmers will exit the pool via the righthand fire exit as directed by coaches. Coaches will direct swimmers anti-clockwise around the pool.** Training will be appropriate depending on swimmer's size, competency and fitness and will be determined by the Lead coach. Numbers in lanes will be determined in consultation with the school. **A**s soon as swimmers have entered the pool area, they must ensure they are socially distanced and walk round the one-way system, to a vacant changing area designated by a purple roundel on the wall: • Swimmers must not move out of this area until asked to do so by a coach; • use the anti-bac station as soon as they enter the pool arena (swimmers allergic to anti-bac must bring their own anti-bac; • not touch their face; • follow the procedures carefully as space is tight; • must ensure they are cautious and remain socially distanced from each other; • Move around the poolside as directed;	Coaches to monitor and instruct swimmers to follow procedures. Ensuring swimmers are socially distanced at all time.	Coaches **(L)**
C2. Swimmers changing in a designated place along the poolside, bag storage and waiting for coach instructions	Swimmers will be directed to their changing place (designated by a purple roundel on the wall), in order to remove their outer clothes, and • Must keep their mask on until asked to move to the pool by a coach • not talk to other swimmers whilst changing; • must not move to the pool side until asked to do so by the coach.	Coaches to monitor and instruct swimmers to follow	Coaches **(L)**

(H)	Swimmers should check the website for kit to bring: Please see the kit list suitable for each Squad on the website: https://www.gcsc.co.uk/wp-content/uploads/2020/11/GCSC-Academy-Kit-Lists-20-21.pdf • Put on hat, have goggles mounted on heads ready and have **named** water bottles, and await Coach's instructions. Swimmers must not swap equipment with other swimmers	procedures	
C3. Space restrictive in pool area **(H)**	Swimmers should follow the Coach's instructions carefully and always be aware of other swimmers around you and maintain adequate social distance and avoid any face-to-face contact.		**(L)**

***The Risk levels we are using are High (H), Medium (M) and Low (L).**

Risk Assessment completed by Janette Smith and Caroline Wood on 22 April 2021
