Squad Profile

Junior Surrey County Squad is part of the National & Regional Pathway within Guildford City's Transition Squad Section. It is designed for junior swimmers aged 11 to 13 years who it is believed can achieve a Surrey County Championships qualifying time in at least one event.

The Squad caters for a variety of swimmers including those:

- -who aspire to be promoted to Regional, Junior National, and/Age Group National Squads
- -who are working towards qualifying in multiple Surrey County Championship events
- -who are striving to achieve a Swim England South East Region Championship qualifying time
- -late developers and those who are relatively new to Guildford City
- -who are not able to commit to the Regional Squad training programme
- -who participate in multiple sports outside of swimming

Members are expected to target a minimum of 6 hours per week training in the pool in order to benefit from the carefully planned training program that aims to prepare all individuals for competitions and racing. Training is both physically and technically challenging with the Coaches always encouraging and motivating swimmers to keep their competitive spirit and eagerness to develop and improve. It should be noted that the Coaches are continually reviewing and assessing a swimmer's training ability & attendance and their attitude to learning and progressing. Our goal is to help the child develop into a self-motivated, independent, hardworking athlete. Parents are asked to respect the Coach's judgement and not to expect or request a child's squad promotion.
