### Squad Profile

The Regional Squad is part of the International & National Pathway within the Guildford City's Transition Squad Section. It is designed for junior swimmers aged 9 to 12 years, who can qualify to compete at the Surrey County Championships in events of 100m or greater and who aspire to attain the required standard to be eventually promoted & commit to the Junior National Squad training and competition programme.

Please note achieving a Surrey County Championship Qualifying Time or a Swim England South East Region Championships automatic or consideration time does not in itself guarantee promotion to or continuation in Regional Squad. The Coach's assessment will be the main factor in determining the appropriate squad for a swimmer – see "Key Measures" 2 & 3 below.

The main training emphasis is based on optimising performance on all strokes through focus on 200m and 400m Individual Medley. Members are expected to target a minimum of 8 hours per week training in the pool and 1 hour per week for land-based training. They are also expected to keep their competition profile as broad as possible and to enter all designated squad competitions.

It should be noted that the Coaches are continually reviewing and assessing a swimmer's training ability and attendance and their attitude to learning and progressing. Our goal is to help the child develop into a self-motivated, independent, hardworking athlete. Parents are asked to respect the Coach's judgement and not to expect or request a child's squad promotion.

### Minimum Standard

Generally, to achieve a Surrey County Championship Qualifying Time in an event of 100m or greater

### Entry into the squad

Consideration for a promotion / entry into the Squad by existing Guildford City swimmers or swimmers from other clubs will be based upon:

### "Key Measures"

1. age eligibility
2. a clearly demonstrated and sustained work ethic
3. commitment to the existing squad training & competition programme
4. meeting the squad minimum time standard

### **Maintaining a Place in the Squad**

In order for a swimmer to maintain their place in the Squad they will have to continue to meet the “Key Measures” as listed above

### **Movement to Other Squads / Pathways**

Swimmers who meet the relevant “Key Measures” may be considered for a promotion to the Junior National Squad at any point during the year at the discretion of the coaches.

Swimmers who do not meet the “Key Measures” may be transferred to a more appropriate training pathway at any point during the year at the discretion of the coaches.

### **Time Out**

Swimmers aged 12 years (born 2013) will generally time out of the Squad in August 2025
