Squad Profile

The Age Group National Squad is part of Guildford City's High-Performance Section and forms part of the National & Regional Pathway sitting between the Senior National and Junior National Squads. It is for swimmers aged 13 to 15 who have generally already achieved or have the aspiration to achieve a Swim England South East Region Championship qualifying time in at least one event and are striving to reach the next level. Members are expected to target a minimum of 10 hours per week training in the pool and 1 hour per week for land-based training in order to benefit from the carefully planned training program that aims to prepare all individuals for competitions and racing. Training is both physically and technically challenging with the coaches always encouraging and motivating swimmers to keep their competitive spirit and eagerness to develop and improve.

Minimum Standard

Generally, to achieve at least one Surrey County Championship qualifying time in any event within the previous 12 months

Entry into the squad

Consideration for a promotion / entry into the Squad by existing Guildford City swimmers or swimmers from other clubs will be based upon:

“Key Measures”

1. age eligibility
2. a clearly demonstrated and sustained work ethic
3. commitment to the existing squad training & competition programme
4. meeting the squad minimum time standard

Maintaining a Place in the Squad

In order for a swimmer to maintain their place in the Squad they will have to continue to meet the “Key Measures” as listed above

Movement to other squads / pathways

Swimmers who meet the relevant “Key Measures” may be considered for a promotion to the Senior National Squad or the Junior Performance Squad at any point during the year at the discretion of the coaches.

Swimmers who do not meet the “Key Measures” may be transferred to a more appropriate training pathway at any point during the year at the discretion of the coaches.

Time Out

Swimmers aged 15 years (born 2011) will generally time out of the Squad in August 2026

- Ages as at 31 December 2026
- Special consideration may be made at the Coaches' discretion waiving the age parameters. In reviewing each case Coaches will consider the history of a swimmer's commitment to training and competition as well as their work ethic and maturity.
- The Coaches may waive any of the criteria contained in this document at their sole discretion.
- Please note that standards stated may change without prior notice or justification.
- Graduation from squad to squad will normally take place at the beginning of the new swimming year in September.
- Swimmers missing prolonged periods of training for various reasons (including but not limited to exams, illness, holidays) maybe invited to train with a more appropriate squad until they have regained their fitness or skills levels to the High-Performance standard
- Due to its variable nature Open Water Swimming will not be considered as qualification to move or to retain squad places.
- Swimmers and/or parents failing to adhere to the clubs Code of Conduct could jeopardise their place in the High-Performance Squads. Procedures will be carried out as per the disciplinary procedures outlined on the Club website.
- Swimmers may not attend any other swimming activity outside of Guildford City Swimming Club; examples of this would include training camps, training clinics, and open meets without the Squad Coache's express permission. If unauthorised attendance at any other swimming activity takes place, a swimmer may be asked to leave High Performance without notice. Please note this also applies to swimmers trialling at another swimming club or educational establishment.
- Attending Tuesday am SSP training session is by invitation only and is offered to those members who regularly attend all of the other Age Group National Squad training sessions.
