--	-----------------	----------------

Squad Profile

The Junior Performance Squad is part of the International & National Pathway. It is designed for junior swimmers, girls aged 13 to 16 years and boys aged 14 to 16 who achieve a top 24 British Time in an Olympic event and who aspire to qualify and compete at the British Championships.

The training programme takes a multi-stroke individual medley approach with the start of the process of key event specialisations. Members are expected to target a minimum of 14 hours per week in the pool and 2 hours per week of land-based training. They are also expected to keep their competition profile as broad as possible and to enter all designated squad competitions.

Priority to swim training and competition over extra circular school activities including participating in school sports and the Duke of Edinburgh awards scheme should be given.

It should be noted that the Coaches are continually reviewing and assessing a swimmer's training ability and attendance and their attitude to learning and progressing. Our goal is to help the child develop into a self-motivated, independent, hardworking athlete. Parents are asked to respect the Coach's judgement and not to expect or request a child's squad promotion.

Entry into the Squad

Consideration for a promotion / entry into the Squad by existing Guildford City swimmers or swimmers from other clubs will be based upon:

"Key Measures"

1. age eligibility
2. a clearly demonstrated and sustained work ethic
3. commitment to the existing squad training & competition programme
4. meeting the squad minimum time standard

Eligible swimmers must have demonstrated all the key measures and gained a consideration time to be eligible for a place within the squad.

Minimum Standard

Generally, achieve a top 24 British long course ranking in a single age group in an Olympic event of 100m and up by the end of the qualifying period (May 2027). Priority in the squad will be given to swimmers who qualify on 200m and up events.

Performance

Team

Character

Swimmers who miss this standard will receive a second chance to qualify through achieving a top 20 ranked time based on the Summer Meet Qualification Window rankings only. The higher ranking is set as a target based on the extra 2 months training an athlete will receive. Specific times to be achieved will be communicated in writing from the Lead Coach of the Squad.

Relay times will be eligible with positions 2, 3 and 4 having a 0.5 second adjustment for reactions.

Movement to Other Squads

Swimmers who do not achieve a consideration standard or those who fail to meet the key measures will be transferred to another suitable squad. This movement will include a full handover between coaches to ensure a smooth transition. Swimmers leaving the Performance Squads will also be considered for a return if they can achieve a top 24 position in their age come the end of the short course season. Rankings will be assessed at the end of December.

To be considered for the Senior Performance Squad swimmers will generally be age eligible and must have achieved the Senior Performance criteria by the end of the National Long Course Competition Window.

Maintaining Membership in the Squad

Individuals' membership of the squad will be reviewed on a continuous basis. All key measures must be continuously met. Rankings will be checked after county championships and any swimmers falling outside the top 16 and top 24 respectively, will be made aware of this by the coach at that time. This gives the swimmers plenty of time before the window opens to push their performance and make the improvements required and be fully aware of where they are at that point after Counties. A swimmer will also be expected to improve their personal best time at the key end of season meet (Summer National Championships). It is imperative that all swimmers demonstrate their ability to optimally perform at key meets during the year.

Time Out

Girls aged 16 Years (2011 born) and Boys aged 16 Years (2011 born) will generally time out of the Squad in August 2027

- Ages as at 31 December 2027
- Special consideration may be made at the Coaches' discretion waiving the age parameters. In reviewing each case Coaches will consider the history of a swimmer's commitment to training and competition as well as their work ethic and maturity.
- The Coaches may waive any of the criteria contained in this document at their sole discretion.
- Please note that standards stated may change without prior notice or justification.
- Graduation from squad to squad will normally take place at the beginning of the new swimming year in September.
- Swimmers missing prolonged periods of training for various reasons (including but not limited to exams, illness, holidays) maybe invited to train with a more appropriate squad until they have regained their fitness or skills levels to the High-Performance standard
- Due to its variable nature Open Water Swimming will not be considered as qualification to move or to retain squad places.
- Swimmers and/or parents failing to adhere to the clubs Code of Conduct could jeopardise their place in the High-Performance Squads. Procedures will be carried out as per the disciplinary procedures outlined on the Club website.
- Any swimmer attending any swimming activity outside of Guildford City Swimming Club (including a trial at another swimming club or educational establishment) without the express permission of their Coach may be asked to leave the High Performance squads without any prior notice.

Mission

Motto

'Shaping the Future of Swimming in the South East'

Mission Statement

Every day we strive to provide an environment where personal excellence, honesty and commitment are expected. Through the pursuit of our dreams and goals we learn valuable life skills and develop the drive to achieve our potential in swimming and life. We are committed to fostering a healthy environment (mentally and physically) where swimmers are not afraid to fall down, fall short or fail in the lofty pursuit of their dreams; this is where character is developed.

Vision Statement

To continue to build a tradition of swimming excellence and develop our national reputation for producing passionate, inspired and high producing swimmers and coaches. Our aim is to ensure that every athlete has the opportunity to reach their potential within the sport (regardless of standard) and to provide a culture that encourages learning and personal development within a safe friendly environment. Good sportsmanship will always be encouraged with the expectation that our members strive to be humble in victory and gracious in defeat. To maintain the highest possible standards we believe that team unity, character development and personal responsibility are paramount to providing a successful culture for all.
