Squad Profile

The Senior National Squad is part of the International & National Pathway. It is designed for senior swimmers 15 years and older, who aspire to qualify and compete at the Swim England South East Region Championships and further at the Home Nations and or British Summer Championships.

Training in the Senior National Squad signals the start of the process of key event specialisation. For some members the training programme takes a sprint-oriented approach while others enjoy a multi-stroke individual medley plan. The Lead Coach will meet termly with each swimmer to discuss their goals and to determine their specific training and competition programme.

At their own discretion, members may choose which sessions they attend which may be varied weekly. In order for a swimmer to adopt the "National Exam Plan" written confirmation should be made prior to the commencement of each term to the Membership Secretary and National Squad Lead Coach. As a result of adopting the Plan, training fees will be reduced by 50% for the term.

Character

It should be noted that the Coaches are continually reviewing and assessing a swimmer's training ability and attendance and their attitude to learning and progressing. Our goal is to help the child develop into a self-motivated, independent, hardworking athlete. Parents are asked to respect the Coach's judgement and not to expect or request a child's squad promotion.
